

Welcome back. We hope you had a happy fun Term break in all the sunshine and are ready for a busy creative Term 2.

Term 2s focus:  
**Creativity**

**Dates to bookmark**

Arts Week – Children’s Activities for you to view in the afternoons of 18, 19,20,21<sup>st</sup> June.

Parent Conversations – Watch out for the date of this in the school newsletter.

***Homework is set for 2 week blocks this term. Please plan with your child when you can fit the tasks into your busy lives. This is all about becoming aware of having to manage time and making choices. There will be more writing expected to be done neatly in pencil in the homework book. Try to make this fun by choosing funny sentences for spelling for example.***

**Newsletters and more information are on the school website.**
