

**Maths:** Mathletics – decide with your parents what is appropriate.

**Spelling:** Complete the Language Activities

**Reading:** at least 20mins each day.

Then choose 2-3 other activities

## Room 9 Homework Contract

**Term 3 Week 2**

*Theme: School Traffic*

How can we reduce the amount of traffic coming in and out of the school property in the mornings and afternoons?

I propose that parents should not be able to drop their children off within a 100m radius of the school property.

What would be the arguments for and against this proposal. Make a list of at least 3-5 for each side of the argument.

Use these to write and discussion about this issue.

### Language Activities:

- Choose 5 spelling words from your own writing or other work.
- Choose 5 words from our RTL list

---

---

---

---

---

For each word:

- Write it in a sentence
- Break it into syllables

Redesign the school property to make traffic flow easier.

WRITE A LIST OF TEN RULES FOR PARENTS WHEN DROPPING THEIR CHILDREN OFF AND PICKING THEIR CHILDREN UP.

**What suggestions could you give the Hamilton City Council to help with the traffic issues around Hillcrest Normal School?**

In the school newsletter your parents were asked to complete a survey online about traffic. Sit down with them to complete this.

*Design your own related activity*

**Hillcrest Normal School should have a Walking School Bus.**

**Find out what a Walking School Bus is. Do you think our school should have one? Do some research about this issue and present your argument.**
